Hello Kim and Thuy,

We would like to have a discussion with you, in a smaller meeting setting, about the studies that you have already conducted on the PFAS container issue as well as those you plan in the future. This will help us come up to speed on the

larger issue as well as better prepare for decisions that we will need to make under TSCA. Thank you in advance for your time.

Tracy Williamson  
Chief, Industrial Chemistry Branch  
New Chemicals Division
